

Chester-le-Street

Days Gone By

Take a trip down memory lane “in a few of the pics” we know some are before the time of even our oldest members.

If you have any old photos of the area especially the river, please email them to cdacemail@gmail.com, so others can look through them.

Anyone wanting more details or better quality photos from the George Nairn collection please feel free to email him at g.l.nairn@btopenworld.com
